

# PETER GODSWILL BENJAMIN

Web Developer

6b Ifeanyii Isaac Street,

Irabouk, Ologufe,

Ibeju-Lekki LGA,

Lagos,

Nigeria.

Phone Number : +234- 915-325-4081

Email Address: Petergodswill1100@gmail.com

## Objective

I'm a seasoned web developer with 1 year of hands-on experience creating impressive websites and applications. I'm really good at using different coding languages, tools, and systems. I also work well with different teams to make sure our projects turn out great.

## Education

O'level degree, Malizzay High School - 2020/2021

Diplomacy acquired at Ekobits Academy -2023.

## Skills :

- Programming Languages: HTML, CSS, JavaScript
- Frameworks & Libraries: React, Bootstrap, WordPress, Tailwind CSS
- Content Management System: WordPress
- Version Control: Git
- Other Tools & Technologies: Node.js
- UI/UX Design: Figma, Adobe Illustrator
- Additional Skills: Team management, Videography/Photography, Content Creation, Presentation Skills

## Experience

- Ekobits Academy : Volunteer [2022-2023]

- Created "Kanga Fine Wine" project at Ekobits Academy.
- Produced high-quality video content as a videographer.
- Collaborated within a team to develop an NGO website named TEENSAFE.com.ng.
- Utilized React.js to design and develop your personal portfolio website.
- Made use of my presentation skills to sell my idea of creating a website for an existing Jewellery store and Shoe store .

- Behind the scene camera-man :

- Conducted behind-the-scenes shoots for various content creators including Pavo Tdw, Pelathecreator, Samzeeno, and others.
- Volunteered as a camera operator at a job fair hosted by PGCSF and OXFAM.
